

## *The Little Crown of the Blessed Virgin Mary Of Saint Louis de Montfort*

### ***Concluding Prayer***

**All:** *Hail Mary, Daughter of God the Father,  
Mother of God the Son, Spouse of the Holy  
Spirit, Temple of the Blessed Trinity.*

*Hail Mary, our Lady, our wealth, our joy, Queen of  
our hearts, our Mother and our life, our consola-  
tion, our dearest hope, our very heart and soul.*

*We are all yours, all that we possess is yours,  
Virgin blessed above all.*

*May your soul be in us to glorify God; may your  
spirit be in us to rejoice in God.*

*Virgin most faithful, set your seal upon our hearts,  
so that in you and through you we may be found  
faithful to God.*

*Grant, gracious Mother, that we may be numbered  
among those whom you love and instruct, whom  
you guide, cherish and protect as your children.*

*O Queen of heaven, we renounce from this moment  
anything in us that does not belong to you.*

*O daughter of the King of kings, whose principal  
glory is within, do not allow us to be distracted by  
things that are visible and transitory; grant rather  
that through God's abundant grace, we may always  
be intent on the Life within us, where we may find  
in GOD ALONE our delight, our wealth, our  
honor; our glory, our rest.*

*Thus, through your loving care, the Holy Spirit,  
your faithful Spouse, will perfectly form in our  
hearts Jesus Christ your beloved Son for the  
greater glory of God our Father, forever and ever!  
Amen.*
